The desire of Retirement Living is to honor God by providing the elderly with a lifestyle that values their identity, their independence, and their dignity.

From the pen of the Administrator

Hello Residents & Families,
 The end of summer isn't the end of the world. Here's to October!
 The season of Autumn has returned – with its brilliant colors and cool temperatures. Let the leaves fall and new adventures begin as we embrace the beauty of the changing seasons. May your days be filled with sunshine,

**Employee of the Month
 Shaquelle Bain**

I have always felt drawn to healthcare because I love helping people and making a difference in their lives. It is not just treating illness, but about being there for people during some of their hardest moments.

My future goal is to keep growing in this field, working in health education & prevention care and eventually take a role where I can have an even bigger impact. The best part of my job is connecting with residents, hearing their stories, and knowing that I'm helping them feel better of just being a source of comfort when they need it most.

**Congratulations
 Shaquelle!!!**
