Welcome Casey, our New Maintenance Manager!

I am excited to begin my journey with Green Acres as the new Maintenance Manager. I come from a background in construction and facility maintenance, having spent the last six years as an Operations Manager for Great Lakes Construction. I have a genuine passion for troubleshooting and problem solving and ensuring everything runs smoothly. In my free time, I enjoy detailing vehicles, tackling flooring projects, and spending time outdoors with my family. I look forward to working with the Green Acres team and am grateful for the opportunity to be a part of this community!
