

The Allendale Anchor

GREEN ACRES OF ALLENDALE

MOHAMED QASMAH

Working as a CNA has shown me how meaningful it is to build genuine relationships with residents. It has also strengthened my passion for helping others and inspired me to pursue a career where I can make a lasting impact. I completed my bachelor's degree in Biomedical Sciences and plan to earn my BSN before becoming a Certified Registered Nurse Anesthetist (CRNA).

Resident of the month
Mary Crowley

Early Life and Beginnings:

Born in Arizona, Mary was raised in Battle Creek, Michigan, where she attended St. Philip's Catholic School. As a young woman, she brought energy and charm to her community, working as a roller-skating waitress at the local A&W. Later, while working as a secretary, fate stepped in. When her computer needed repairs, a technician named Chuck came to fix it—and ended up capturing Mary's heart.

Family and Ambition:

Mary and Chuck married and eventually moved to Jenison, Michigan, where they built a vibrant life together and welcomed four children: Philip, Chris, Megan, and Melissa.

With four kids at home, Mary's ambition never wavered. Determined to further her education, she balanced motherhood with night school to earn both her Bachelor's and Master's degrees. To support her goals, she drove a local school bus—even showcasing her impressive driving skills by competing in a bus rodeo with a stick-shift transmission.

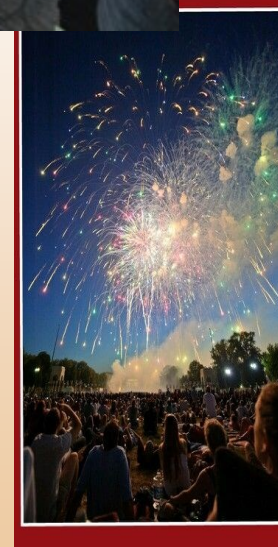

A Legacy of Teaching:

Mary's passion for education led her to a fulfilling career in teaching. She began by dedicating a few years to Special Education in Martin, Michigan, before accepting a position with Grandville Public Schools. It was there that she spent the remainder of her career, shaping young minds and leaving a lasting legacy as a beloved third-grade teacher.

Cherished Traditions and Today:

Beyond her professional success, Mary's heart has always belonged to her family. Countless cherished memories were made "up north," where the family loved spending time at their cottages in Frankfort and on Bear Lake.

Today, Mary is the proud grandmother of eight grandchildren, ranging in age from 8 to 24. Guided by her strong faith, she fills her days with the things she loves most: reading, walking, gardening, and enjoying the company of her many dear and loyal friends and family. Mary's positive, determined, and sweet spirit, captures the heart of anyone who knows her.
